Sigh! I just don't understand why everyone picks on me for no reason

I think it must be because I'm short.

Cough! Napoleon! Dude! Come off it.

You know we're bros, right? So I'm saying this as a mate...

The reason you get under people's skin is that you keep trying to conquer them all the time.

Never did! Lies!

Just next time you talk to someone try being nice to them yeah. Ask them about themselves, give compliments, and NO CONQUERING!

Good work Greg, keep it up

Bonjour Cleo! what are you up to mon amis?

Oh, hi Napoleon! Me and Greg are just building a pyramid to house my fabulous wealth

How interesting! it looks really nice.

Aww-thanks

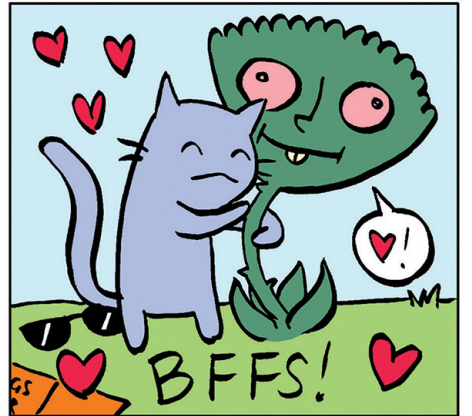

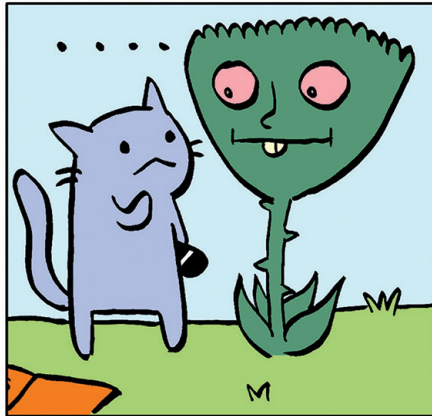

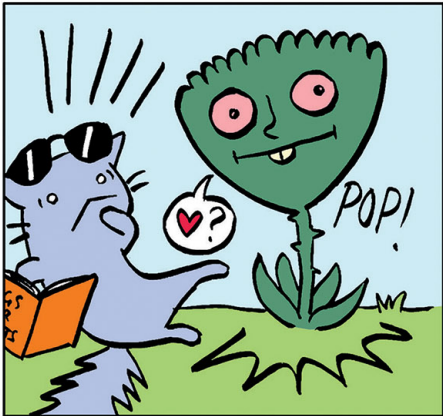

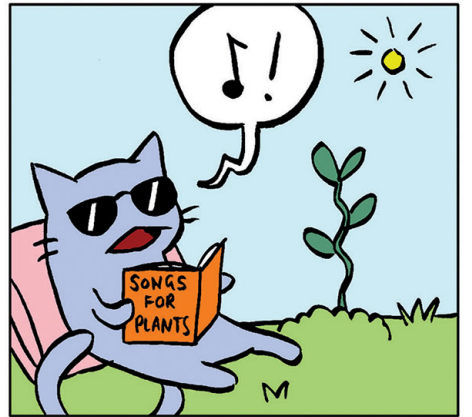

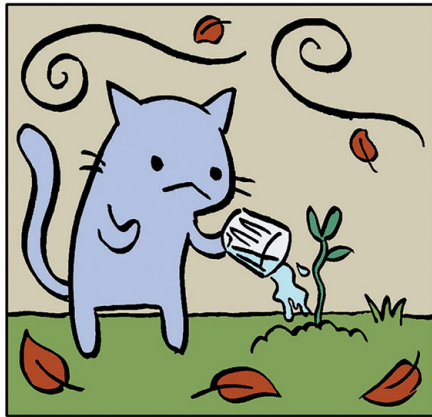

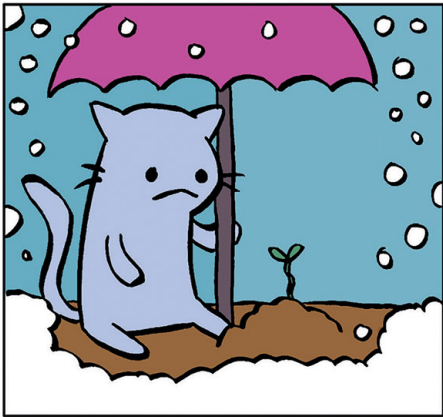

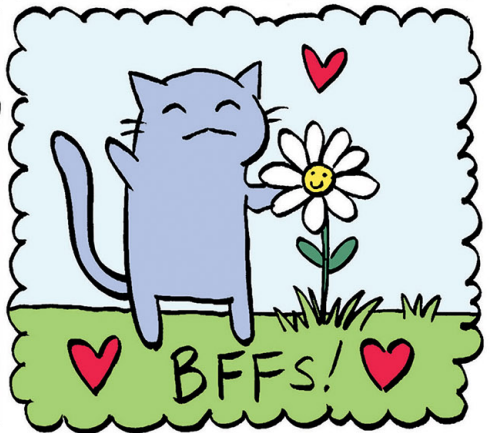

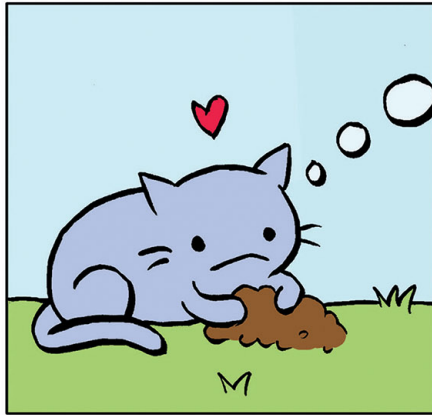

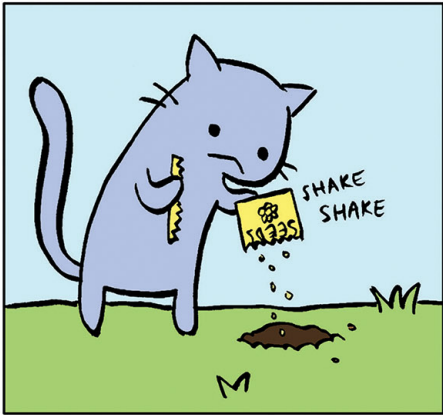

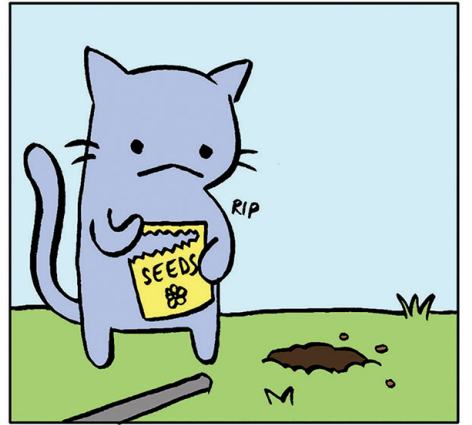

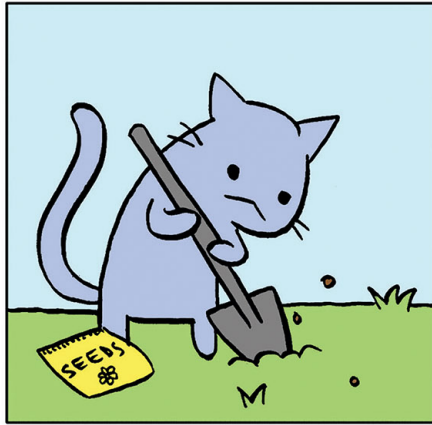

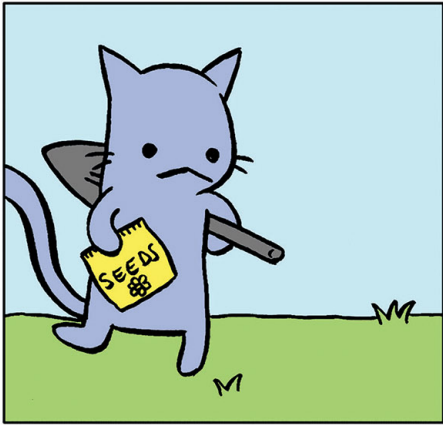

Yes I was pleased with i-

Hey! What the ruddy heck is this?!

Oh nothing, that's just a flag. It means that I'VE CONQUERED YOU AND ALL OF THIS IS MINE!

Greg! Stop him! Do something!

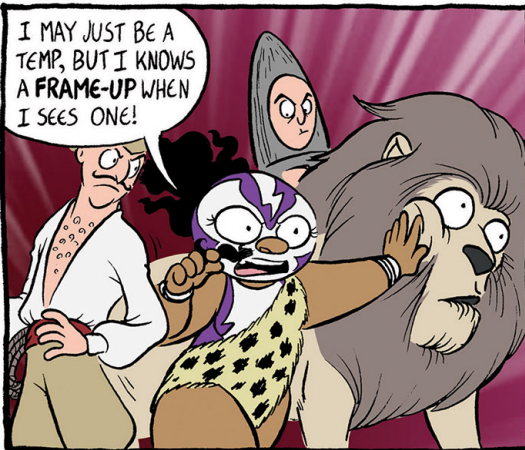

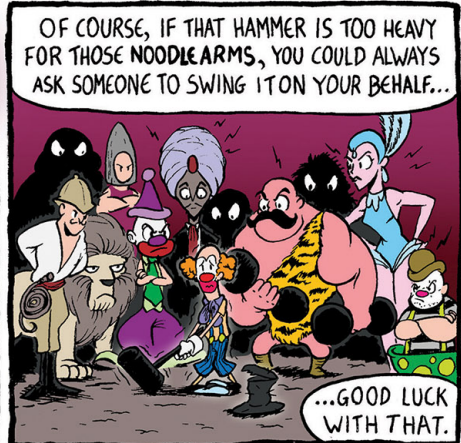

See! No reason at all.
